he was appointed as Village Panchayat Inspector with effect from 1-2-1927. He was subsequently absorbed as Sanitary Inspector on a pay of Rs 43 p.m. from 27-3-1931 and is now drawing a pay of Rs 53 from 1-4-1936 as a permanent Sany Inspector. If the official had continued as Sanitary Inspector without being appointed as Village Panchayat Inspector, he would be drawing a pay of Rs 61 from 3-2-36. His pay in the revised scale Rs 35-2-55-4-87 will have to be fixed at Rs 59+2 p.m. from 17-12-36 or at Rs 67 p.m. from 17-12-36. Recently several cases have been sanctioned in which the service put in by Sanitary Inspectors as Village Panchayat Inspectors was counted for the grant of increments. The present case also stands on a par with these cases. The recommendation of the Dr of Health to fix the pay of the official at Rs 67 p.m. from 17-12-36 may perhaps be sanctioned, as it is in accordance with precedent.

Respected Sir,

I, the undersigned, beg to bring the following lines to your kind consideration and favourable orders.

I was appointed as Sanitary Inspector on 25-1-1921 and was posted to Sorab Taluk, to work under the then Taluk Board where I took charge on 3-2-1921. After completing the two years of the probationary period, I began to draw my increments from the 3rd year i.e., from 3-2-1923 and reached Rs.40/- in 3-2-1927.

In the year 1927 when the Taluk Boards were abolished and new Panchayet Regulation brought into force. I was appointed as Panchayet Inspector on my pay last drawn, prior to the termination of the appointment viz., Rs.45/-. As the post of the Panchayet Inspector was also a temporary one, I was absorbed in the District Board, Shimoga, as Sanitary Inspector in the vacancy on the same pay and accordingly took charge on 31-3-1931. Since 1/4/1932 I have been drawing increments as per old scale according to which my present pay is Rs.55/-

During the period of the Panchayet Inspector I was neither given the pay of Rs.60/- as prescribed in the Government order for Panchayet Inspectors, nor allowed to draw any increment as Sanitary Inspector, my seniority was also not considered during the abolition of the Taluk Board Thereby my juniors was continued as Sanitary Inspectors

during the above period also have become seniors and are drawing higher pay than mine. I beg to state, in this connection, that I too, like my brother officials, would have been drawing Rs.61/- at the time of the revision of the scale of Sanitary Inspector in December 1934, had my increments been regularly granted to me.

I represented my above grievances to the President, District Board, Shimoga, in January 1936, when I was working there and was given to understand that my application has been submitted to your office with due recommendations. Further, I came to know that my brother officials whose application was also submitted along with mine, has been favourably fixed in the new scale. Similar cases of my brother officials who were working in other Districts, were also considered and the Government are pleased to grant increments to them during the above period.

Hence, I beg of you to kindly consider my case and request you to fix me in the grade of 55-4-87 as per revised scale of December 1934, and permit me to draw my pay as per the scale granted to my brother officials.

I beg to bring to your kind notice that my Service Register Extracts and etc., have been submitted from the Municipal Office of this Municipality, and further request you once again to view my case sympathetically and favourably, for which act of kindness, I shall ever be grateful to you.

I beg to remain,
Sir,
Your most obedient servant,

Malvalli,
22nd January 1937
